<p><b>Introduction To Report and Updates Since Last Council</b></p> <p>How ye getting on,</p> <p>I hope ye are all reading this report ;)</p> <p>I had a very busy 2 weeks since our last council meeting. I emailed building and estates and asked them to let me know when there will be events on campus in the future that will reduce the amount of parking. I have been in contact with the library director about sending me a list of study spaces outside the library and I await a reply, when I get this list I will put an email together informing students of alternative study and computer spaces on campus.</p>

<p><b>Budget Expenditure</b></p> <p>1296 euro</p>	
<p><b>Short Term Objectives and Update</b></p> <ul style="list-style-type: none"> <li>- <u>Finalise Design of the new Student Centre:</u> No student centre meetings since our last council. We are meeting again on the 12<sup>th</sup> of October so I will have an update in my next report.</li> <li>- <u>Continue aiding in the Development of UL App:</u> I am just out of an app meeting with the PSU, ITD and the developer of the app. I brought up integrating Sulis into the app and mentioned how it was something that students had been asking for. ITD are to look into the possibility of this, what it would take to make it happen and get back to me.</li> <li>- <u>Attend Public demonstration on publicly funded higher education in</u></li> </ul>	

Dublin on the 4<sup>th</sup> of October: As you know, we decided at our last council not to attend the public demonstration in Dublin on the 4<sup>th</sup> of October and decided instead to have our own here on campus. We are very happy with how it went and we had spin south west out doing some interviews so we got some media attention.

### **Long Term Objectives and Update**

- Introduce a module for all first years that educates them on health and well-being: No update on this since the last council.
- Improve Wi-Fi on Campus: Funding is now available to ITD to start the process of having campus wide Wi-Fi, this is a 12 month process. I will get an update from the director of ITD of where they are at before council.
- Get the Planning of a new Student Village underway: This was discussed at the campus masterplan steering committee that there will need to be new student accommodation build before the problem gets too big. The committee also wants the input of students, the chair said how we wished to have various workshops on campus to get an input from the entire campus community but especially students.
