<p>UPDATES SINCE LAST COUNCIL (or since you have been elected)</p> <p>I have attended exec meetings every Monday. The bonding over bowling event I suggested was a success and helped council members get to know one another. I hope to keep bonding events like this active to keep council relationships healthy. I attended the demonstration against student loans and fees on Wednesday the 4th of October. I brought this up in an exec meeting that we should support the main march going on in Dublin and we agreed that having it on UL's campus itself would be more achievable and beneficial this year. We had a good turnout and walked a good portion of the campus getting noticed and getting our point across.</p>
