

University of Limerick Students' Union Sabbatical Officer Reports to Council

Academic Year	2017/2018
Date	05/10/2017
Position:	President
Name:	Jack Shelly
Profile Picture:	
Introduction To Report and Updates Since Last Council How we getting on?	
S.U. Finances N/A	
Budget Expenditure 1296 euro	
Short Term Objectives and Update <ul style="list-style-type: none"> - <u>Finalise Design of the new Student Centre:</u> Student Centre is now more or less fully designed. Next step is to bring it to the campus development committee on the 10th of November and then to governing authority on the 30th of November for approval. After that it's sent to the council for planning permission. - <u>Continue aiding in the Development of UL App:</u> Still waiting for ITD to get back to me about integrating sulis into the app or creating a separate sulis app. I will send them an email and hopefully have an update for council. - <u>Get two water fountains installed in the SU building:</u> I have applied for funding through the bank of Ireland enablement fund so hopefully that will be successful. I got buildings and estates to assess the building to see where it is possible to install these water fountains and how much it will cost. We have a price of ones we want and they are top of the range water fountains. I want to get two of them into the SU this semester and six more of them dotted around campus next semester. 	

Long Term Objectives and Update

- Introduce a module for all first years that educates them on health and well-being: Last week I met with the director of strategic planning, two of the senior lecturers in dietician and nutrition and the managing director of PCC who run most of the cafes and restaurants on campus. We discussed these modules and they loved the idea but there was concerns raised about the availability of rooms. I have emailed the associate registrar to arrange a meeting to discuss the possibility of this and myself and bob are meeting with the two senior lecturers in nutrition next Monday for further discussions.
- Improve Wi-Fi on Campus: I have emailed the director of ITD to see what progress has been made on this and if the money is available to them now. I'm waiting on a reply.
- Get the Planning of a new Student Village underway: no update since last council

Meetings Attended (Of Note)

- Orientation Review
- Enablement Fund
- Sabbatical hour on ULFM
- Student Centre Committee
- Interview with an focal
- Clubs and Societies Exec
- Union General Meeting
- National Health and Well-being Summit
