Attended a 2nd Welfare team meeting after meeting with Cycle Against Suicide to see if the group had any ideas/projects for the student leadership conference.

Constitutional Review

There are no group meetings. Working on proposal to change exec oversight to bring in line with current constitution.

“No Executive Officer shall be a member of student council with the exception of the Chairperson of Student Council, Interest Group Chairpersons and the Faculties Representative”

The idea behind the above quote from ULSU constitution appears to be 1). A separation of powers in the SU Governance Structure 2). Allows student council the independence to drive discussion on agenda items. Led to the idea of all Exec reports being delivered through the chair. Still not enough information provided to allow Council to fully discuss items thoroughly. Will have to consult student council.

UL Experience Group

Meetings of the group occur Bi-weekly unless there is an event planned that week.

3 Meetings of the group have taken place and 2 events, a quiz and a board games night.

Average Meeting time 1 hour. Average event time 2 Hours

Co-op Survey

Worked with Joseph Brown on the actual surveys.

Meeting with Gavin Connell on the issue of reviewing a co-op.
