<b>Introduction To Report and Updates Since Last Council</b> SHAG week is in full swing! From the Long Acting Reversible Contraceptive clinic yesterday to the big success of the Tennis Elbow Challenge. People are having the craic!  Brussels was a very successful trip. While what will happen with Brexit when Article 50 is initiated is still very much unknown, we were given the opportunity to bounce ideas off other Universities. One such example was meeting the women's officer for Queen University Belfast who I discussed their implementation of Niteline. I also discussed gender neutral bathrooms with NUIG president Jimmy McGovern.
