Don't be afraid to call into me with any issues you want to discuss before bringing it to Student Council. Also if any of you have issues with your academic experience call in. I can act as a personal student rep for any of you as you are the students giving your free time to help others. Saying that don't take the piss with every complaint or injustice you face! I don't take shit nor do wrap things up in cotton wool. You will get the truth!
