

Hi! My name is Marian O'Donnell and I want to be your VP Academic!

MANIFESTO

The Main Points!

I WILL CAMPAIGN FOR:

#1

24 Hour Study Area

We have just received funding for a library extension - now is the time to campaign for a 24 hour study area. If we are investing money in UL, invest it in services students want and need!

#2

TP & Placement Reform

I did my Coop Placement in the Co-Operative Education Department (oh the irony!). But because of this I know how both the Coop system and the Teaching Practice placement system work from the inside, I know the problems from both sides and I hope to be able to help fix some of them!

#3

Reduced Repeat Fees

We have the second highest repeat fees in Ireland. The repeat fees in UL are extortionate and put an additional burden on students when they are trying to pass exams. They need to be significantly reduced.

#4

Improved Communication

The VP Academic works for the students! So ye guys need to know what they are up to, what meetings they are going to, what they are working on for your benefit! I propose to update FB daily/weekly with this info!

For more info check out my full Manifesto on FB and Twitter! @Mar4Academic and Marian for VP Academic
