INTRODUCTION TO MY ROLE

I'm here simply to facilitate the smooth running of council, i.e. make sure we get through the agenda in a productive and (hopefully) speedy manner and to make sure that there is a clear opportunity for debate. I am going to ask two things of you all whilst you hold office: that you have respect for the role for which you are the incumbent; and that you keep in mind that your opinion and stance on any particular issue may not necessarily be that of the majority of those you represent, and it is that that should guide your judgement whilst voting.

Hours put in since last week: 13,774 hours since I last attended council. (6th March 2014)
